

Dear Parents,

For my class your child will need the following items to be organized and successful for this school year. They can be purchased from any dollar store.

- Three spiral notebooks (spiral notebooks must have 3 holes punched so they will fit in the students AVID binder) Please buy one red, one blue, and one yellow.
- Yellow, green, and orange color highlighters
- A pencil pouch with 3 holes (the pencil pouch must have 3 holes punched so they will fit in the AVID binder)
- Colored pencils
- Earbuds
- A red pen
- Large glue stick
- A pack of #2 pencils

Please make sure your child has all the necessary items at the start of school as this is when AVID binders will be passed out and organized.

Each AVID binder will have a check-list that will stay in the binder for the year. You will be able to look at this list to see how the binder should be organized and you can ensure that your child keeps their AVID binder organized all year. These binders will be periodically checked throughout the year and given a grade.

Thank you,

Third Grade Staff
