Sexual Abuse Insurance for Independent School Consultants

We have created standalone Sexual Abuse Insurance (SAI) to allow professional Independent Consultants (ICs) working within School Districts (SDs) in California to meet their contractual requirement of carrying \$3 Million in SAI limits.

Unique Exposure

The sexual abuse coverage insures independent contractor professionals who routinely spend unsupervised time with their school-aged clients.

- Occupational, Physical, Speech, Language & Vision Therapists
- ABA Support Providers (autism spectrum)
- Psychologists
- Independent Educational Evaluation Assessors (IEE)
- After School Programs
- Other experts can also be considered; please contact us

Unique Coverage

This is the **only cost effective program available** that allows ICs to fully meet their School District contractually mandated sexual abuse insurance requirements.

- SD approved coverage
- Low SIR of \$5,000 each claim
- Defend IC for civil abuse allegations and claims
- SD included as Additional Insured
 - Primary and non-contributory coverage
 - Waiver of subrogation
 - Coverage includes all School District officers, officials, employees, and volunteers
 - 30-day notice of cancellation
 - School District has same claim notice and duty to cooperate responsibility as named insured

Easy to complete

Click-to-bind within 5 minutes.

- Go online at JigsawRisk.com to complete a short SAI application
- Premium based on total number of days IC works with SD pupils or in the SD in the last school year
 - If application is approved, IC pays for the policy by credit card or PayPal
 - IC receives insurance policy by email immediately
 - SD's are listed as named insured and a certificate is emailed automatically

Apply for coverage here: JigsawRisk.com.

You can review or download our application, policy wording, and certificate there. You can also call us at 630.285.4079 or email us at info@jigsawrisk.com.
