Christina Bentz, Member
Ammie Hunter, Member

SUPERINTENDENT
Kennon Mitchell, Ph.D.

At the end of each school year, students in grades three through eight usually participate in the California Assessment of Student Performance and Progress (CAASPP) assessments. Last year the California Department of Education allowed school districts in California to administer a Local Assessment in lieu of the CAASPP.

Last year your child took the following tests:

- STAR English Language Arts/Literacy (ELA) and STAR Mathematics

Your child's Student Score Reports are attached to this letter.

Please note your child's Placement Level in both ELA and Mathematics. The Placement Level will be a number between 1 and 4. The Placement Levels are described as follows:

- 1 – Urgent Intervention Needed
- 2 – Intervention Needed
- 3 – On Watch
- 4 – At/Above Benchmark

In our district, the test results are just one way to look at how well our students are doing. We use the results to find areas in which students are doing well and areas in which they need help. It is also important to know that the test results are not used to determine whether a student moves to the next grade.

If you have questions or concerns, please contact your school.

Respectfully,

Tasha Doizan, Ed.D.
Assistant Superintendent of Academic Services
